  - Pure Stocks (25 Laps)
  - CVM's (30 Laps)
  - OSS (50 Laps)

Welcome to all Ontario Sportsman Series and Legend Car Teams. Thank you for attending tonight.

Due to the car counts, and extra events going on tonight, we will be changing the format slightly. Heat races will determine our feature line ups. Pill draw for heat race, roll an inversion for the feature.

Please remember it is mandatory all race teams must have a working One Way radio or scanner programmed to 454.000. Teams using 2-way communication, must have a team member with a One Way at the minimum. Highly recommended for driver to possess.

If you have any questions, concerns or input please see Bob Munro in the pit tower.

Questions, comments and concerns?

Race Director - Doug Leonard - 905.981.1119 - info.flamborospeedway@gmail.com
