Welcome to Flamboro Speedway's Frostoberfest. This is Round 3 of the Grisdale Triple Crown. If you need any help today, please see a Flamboro Speedway Official in a blue shirt. They will gladly assist you and answer any questions you have. Good luck to all competitors.

Please remember it is mandatory all race teams must have a working One Way radio or scanner programmed to 454.000. Teams using 2-way communication, must have a team member with a One Way at the minimum. Highly recommended for driver to possess.

Transponders are mandatory at Flamboro Speedway. You can buy them for \$280.00 or rent them for the evening at \$20.00. Failing to have one will result in you not being scored. Please make sure you have one.

If you have any questions, concerns or input please see Bob Munro in the pit tower.
